

11/11

Things to do in London:

(Self) ~~discussing~~ - with one's
 kids since in public? - to prepare my
 abolition? - draw the Anglican stables?
 to London (to church) - to throw the babies out
 with the bathwater? - to have my 'self' portrait
 to become a vest image - as dressing down
 for wet the skin in a wet week?

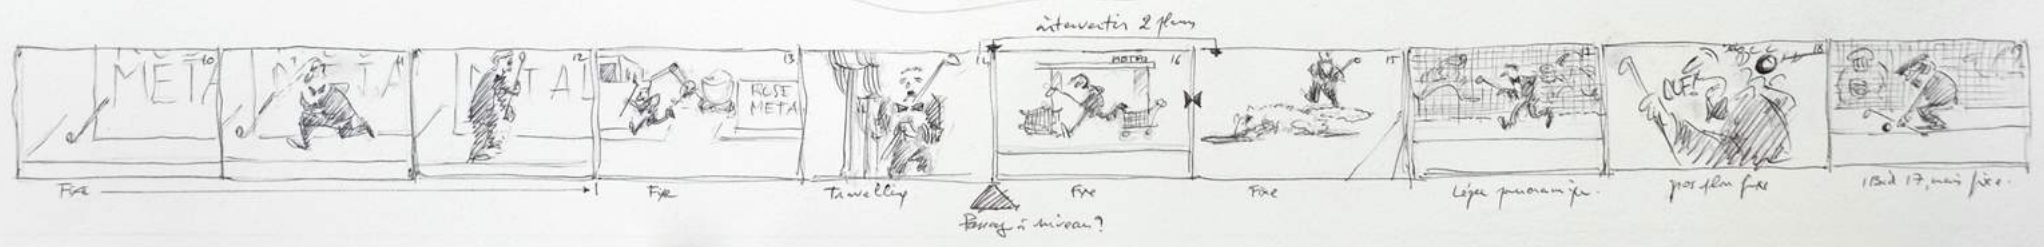

London
at the end of the day
